

NAUSORI HIGHLAND SKY PARK SAFARI

Discover and experience a unique journey through the Nausori Highlands with our 4WD coaches and get the chance to see the ancient trails “Tualeita” running alongside the majestic Garden of the Sleeping Giant and stretching towards the mountains of Nagado. Our expert guides will share tales of these old ancient paths, adding a magical touch to your exploration and sets the stage for picture perfect moments, creating memories that last a lifetime.

Tualeitā – the ‘path of the shades’ or ‘spirit path’
If there were Seven Wonders of Fiji, one of them would undoubtedly be the Tualeitā. It is a mountain ridge that stretches near Vuda Point through the highlands of Western Viti Levu to the Nakauvadra mountains in North-East Viti Levu. It’s said to be the residence of Degei, the most revered ancestor God of Eastern Fiji. Its name tells us that: tua means ‘ridge’ or ‘path’ and leitā means ‘constructed’ or ‘artificial’ in Western Fijian.
